The github link for the Android app we created, SleepiBear, a sleep tracking app-

https://github.com/444aki/ProjectOne

We have also added the main files in our Github link but we could not upload the whole app into it.

Some Screenshots of our app is shown below-
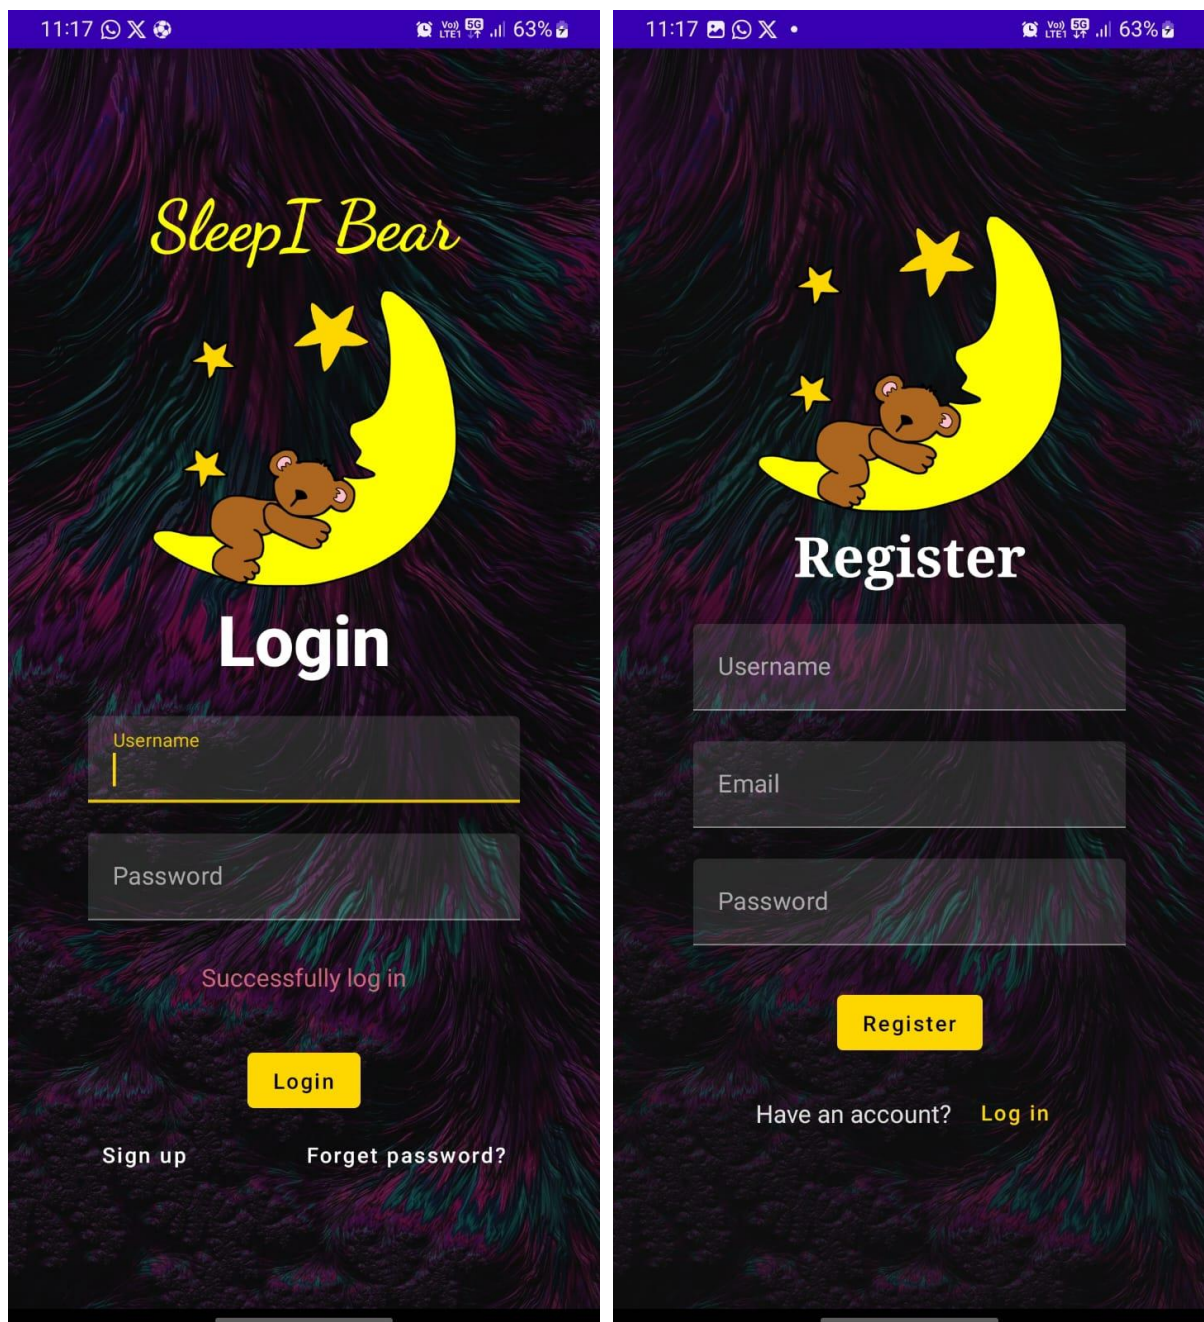

Choose Your Poison !

Sleep Tracking

Soothing Music

Smart Alarm

Sleep Time Tracking

Start

Elapsed Time: 00:00:00

Track Sleep

Sleep Tracking

Play

Restart

Alarm will ring at 23:17:35

Set Alarm
